Module List *TENTATIVE*

Autumn Semester 2019/20

Incoming Students

General Information

Please find some important information about modules / courses offered at our Business School. Keep in mind that minor changes can occur, as the final schedules will only be available mid July 2019.

Module enrolment

Students may choose from the list, depending on the study programme they will study in. A mix between different study programmes is not possible (except IP BBA and BBA). Due to course overlaps, we recommend to pick modules from the same level. In that case, we can guarantee no overlapping.

Level one modules are basic e.g. BWB1040

Level two modules are advanced e.g. BWB2051

Level three modules are at specialisation level e.g. BWB3094

Requirements

Make sure that you fulfill the requirements for each module as listed in the course descriptions.

If you are not sure, please contact our Academic Advisor Magalena Boucaud:
